The Bangor B floodlit league team continued their Division 3 Floodlit league campaign after the Christmas break with a home match against a very competitive Downshire team from Hillsborough on a dry night for tennis. Ian Latham and Jenny Fletcher struggled against a strong Downshire no 1 pairing losing 6-10. Gilbert Nesbitt & Jenny Lyall also found it tough being a service break down for most of the match before winning the last four games to sneak a 10-7 victory. Ian and Gilbert found they just couldn't get close to breaking the serves of the Downshire men before finally both losing their own serves and the last four games to lose 5-10. The two Jennys went 0-4 down in their match before clicking into focus to comfortably win 10-7 in the end. The man of the match award was a close run thing between Jenny Lyall, who won both her matches, Jenny Fletcher, who's supper contributions were both unusual and exciting and Alison's fantastic salad; not a man in sight!
